Welcome

[Print this page »](#)

Earth Adventure travels to schools across the country providing interactive science and geography-based programs. We have been improving and expanding geographic awareness and literacy with our programs for more than 15 years.

We also participate in Earth Day events, International Festivals, Water Festivals, Summer Programs, and corporate events.

Our Programs

Earth Adventure programs complement K–12 curriculum and reinforce education standards. All programs are grade-level appropriate. Because we bring the program to your site, there is no busing and no hassle. We work with individual classes and can accommodate up to 12 classes per day. We provide a content-rich, and unforgettable school assembly.

Earth Balloon

Explore the earth outside and in!

[Learn More »](#)

Earth Adventure programs feature the Earth Balloon®, a 20' diameter model of the earth. The Earth Balloon is an inflatable earth made from high resolution satellite images with true to life colors. **Students enter the Earth Balloon** to learn about our planet.

Earth Walk

Walk from LA to New York!

[Learn More »](#)

Earth Adventure programs feature Earth Walk™, a 16' x 20' floor map of the continental United States. Earth Walk is a high resolution satellite image with true to life earth colors. **Students walk the United States from coast to coast** on an adventure of discovery like no other!

Earth Adventure is a proud member and supporter of the following organizations:
